

25 Real-Life Cheat Codes That I Wish I Knew Sooner:

1. **Being punctual**, smartly dressed, and friendly will get you pretty damn far in most jobs.

2. The easiest way to **become more charismatic** is by learning to be a great listener and question-asker.

3. **Admit your mistakes quickly.** Not only will people trust you more, you'll usually move on from the mistake much faster.

4. **Learn to ask great questions**, and you'll never have to worry about "running out of things to talk about".

5. Not giving a shit about **other people's opinion's** will free you more than anything else in life.

6. Go to bed at a **consistent time** to get enough sleep. So many people live their lives chronically underslept and it causes all kinds of problems.
